

9)

	Yes	No
More than 1	M	NM
Sports Car	S	NS

we need to find  $NM \cap NS$ .

$$P(S) = 0.2$$

$$P(NS) = 1 - 0.2 = 0.8$$

$$0.8 = 0.595 + X$$

$$X = 0.205 \approx 0.21$$
